SEASON'S GREETINGS

We stand on the threshold of an exciting new chapter in the Stuckey's story. We have grown exponentially since last year and are poised to become the nation's leading pecan company.

While many of you may remember Stuckey's from your childhood, today our heritage runs deeper than ever. Our journey began when W.S. Stuckey was blessed with a bountiful pecan harvest and a desire to share these delightful nuts with the world. He turned to his wife, Ethel, who, with her creative touch, gave birth to an extraordinary range of pecan candies.

Today, Stuckey's is not solely about history; it's about the future. We've made it easier than ever to bring Stuckey's to you. With a simple call or a visit to our website, you can have your favorite treats and snacks delivered straight to your doorstep, whether as a treat for yourself or as a special gift to loved ones.

We are embarking on an exciting new adventure and we are thrilled to have you sharing in the fun journey ahead. In these pages, you'll discover a whole bunch of delicious goodies that show just how much we're dedicated to making the tastiest, most creative treats around.

Your support is everything to us. As we peek into the future, we're so thankful for your loyalty. We're pumped for you to dive into this catalog and be a part of our tasty journey ahead. Get ready for Stuckey's pecans to be the star of your joyful holiday memories!

With anticipation and appreciation,

W.S. Stuckey Jr.

HOME OF THE ORIGINAL PECAN LOG ROLL SINCE 1937

A sweet tradition began when W.S. Stuckey had a brainstorm in 1937 that selling candy would increase sales at his roadside pecan stand in Eastman, GA. His wife, Ethel, pitched in by whipping up delicious confections in her farmhouse kitchen. After much trial & error, the pecan log roll was born. Made of fluffy nougat dipped in made-from-scratch caramel and rolled in fresh pecans, it remains to this day Stuckey's signature treat. Today, as you unwrap one, you're not just tasting deliciousness, you're taking a rich bite of nostalgia and history.
